RE:BIRTH - The Life Taker

Translator: Hired

Editor: UMR-San

This is my first editing attempt so please let me know if you feel I can improve anything.

That aside, I am looking for editors to help out, and I desperately need a redrawer as the redraws in some of these chapters are too difficult for me.

I am looking for Korean > English translators as hiring a translator means I can only release chapters when I can afford to pay for the translations.

If you can help out, please reach out to me on umrscans.weebly.com

Alternatively, your monetary support will all go towards getting more chapters translated.
